Downtown Jubilee: Celebrating Small Town Charm will be an event to help attract visitors to downtown Oakland businesses while raising monies for local charity, Landon’s Library. Spurred from the recent downtown revitalization efforts led by the Garrett County Board of Realtors, Coldwell Banker Deep Creek Realty would like to offer a day of music, history, games, a sidewalk sale and more to entice Deep Creek Lake visitors and locals to the downtown Oakland area. The event will be held across Third and Second Streets between Alder and E. Green Streets, reaching to the Town Parking Lot and Pavilion and around Liberty Street to the B&O Train Station.

We will have a schedule of live music throughout the town to include the pavilion, Englander’s Pocket Park, the gazebo and B&O boxcar stage. We will have children’s activities in the Second Street Pocket Park and the gazebo lawn. The robotics team will demonstrate their robots and we will invite several food trucks parked alongside the activities. Lastly, we will give local artists and makers spaces to sell their creations. We will be cross-promoting our Downtown Jubilee vendors and participants stay out to attend the kick-off night of the Little Yough Music Festival the same evening at 7:00pm.

Please join us in one of the following ways!
